

**VOISHECON 2011**  
*(Voice for Occupational Safety and Health)*

**61<sup>st</sup> NATIONAL CONFERENCE**  
**16<sup>th</sup> - 19<sup>th</sup> February 2011. VADODARA, Gujarat, INDIA**

***FIRST ANNOUNCEMENT***

We, the members of the Organising Committee, 61<sup>st</sup> National Conference, for and on behalf of the Indian Association of Occupational Health Vadodara Branch and the Directorate of Industrial Safety and Health (DISH), Gujarat State, request the pleasure of your company to join us at the Gujarat State Fertilizers and Chemicals Ltd. (GSFC) Auditorium, Fertilizer Nagar Township, Baroda from February 16<sup>th</sup> through 19<sup>th</sup>, 2011.

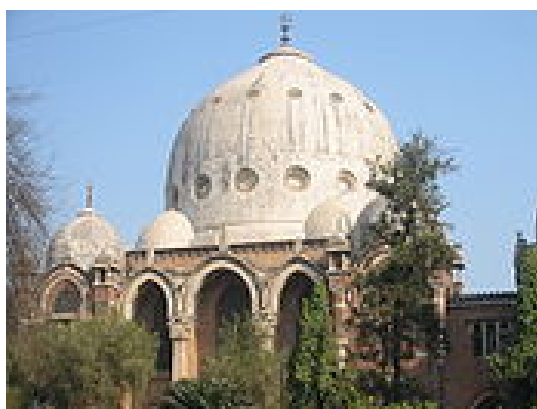

The national conferences of IAOH spread awareness about safe working practices and comprehensive healthcare of workers. These conferences are all about holistic approach to environmental health and wellness.

Lakshmi Vilas Palace, Baroda

The 61<sup>st</sup> National Conference of IAOH is basically a scientific and professional update for practising Occupational Health Physicians and Industrial Hygienists. We welcome professionals in the fields of trauma care, safety, toxicology, ergonomics, epidemiology, biostatistics, disaster management, human resources development, labour legislations, health care and medical services, health insurance, ITES etc. The 61<sup>st</sup> National Conference would be a unique platform for professionals to share their experiences and work practices. It will provide an opportunity, to delegates, to have one-to-one interactions with experts in the disciplines mentioned above. These sessions will definitely be helpful, to delegates, for further developing / improving the occupational health services, in their respective industries.

Vadodara is known as the cultural capital of Gujarat. Baroda is a cosmopolitan city, rich in culture. The weather is quite pleasant during February. The average temperatures range between 22 to 30°C. Only light woollens may be required for late evening outings.

Dome of the M S University of Baroda  
(architecturally, the second largest dome in India)

On the 1<sup>st</sup> of May 1960, Gujarat State was formally created in independent India. Hence, the Government of Gujarat is celebrating SWARNIM GUJARAT i.e. 50 golden years of Gujarat State.

The DISH, Gujarat State is associated with us in hosting this prestigious event. The Joint DISH, Vadodara Region is actively supporting us.

**Venue** GSFC Auditorium, Fertilizer Nagar Township, Vadodara, Gujarat, India.

**Dates**

16 <sup>th</sup> February (Wednesday)	2011	Inaugural Ceremony and Central Council meeting
17 <sup>th</sup> February (Thursday)	2011	1 <sup>st</sup> day scientific sessions
18 <sup>th</sup> February (Friday)	2011	2 <sup>nd</sup> day scientific sessions
19 <sup>th</sup> February (Saturday)	2011	3 <sup>rd</sup> day scientific sessions
		Conference concludes at 14:00 hrs.

### **Registration for the conference**

The registration form is given on the next page.

Please fill in the required details and send by Speed post / courier / messenger to the Conference Secretariat.

Please do not forget to enclose a crossed cheque / demand draft (major banks only), payable at Vadodara.

Please use a photocopy of this form, if needed.

PG students wishing to attend the conference must attach a certificate from the Head of the Department, of their hospital / teaching institution. No other proof of being a bona fide student is acceptable.

Occupational Health Physicians and members of IAOH Baroda branch will be registered as Reception Committee members.

Occupational Health Physicians and other healthcare professionals wishing to present papers in the scientific sessions will also have to register themselves as a delegate. But registration as a delegate does not per se entitle the right to present a paper at the scientific sessions. The Scientific Committee has the mandate to accept (or reject) a paper for presentation.

For queries (if any), please contact the Conference Secretariat or any one of the Organising Committee office bearers / members / IAOH Vadodara branch office bearers.

Incidentally, the name VOISHECON was coined by Dr Sanjay Rana (Vice President, IAOH Baroda branch).

VOISHECON is an acronym for Vadodara Occupational Industrial Safety Health and Environment Conference.

The detailed information brochure will be released within a few weeks.
