

# Indian Association of Occupational Health

## IAOH Logo Manual

An IAOH logo manual has been developed in March 2010 by Dr. Ramnik Parekh as per the mandate by the President of Indian Association of Occupational Health (IAOH) for the purpose of Communications / Publications to achieve IAOH's communications goal to produce professional quality communications that reflect IAOH's mission and activities. The same is available on the association website and can be downloaded by clicking [HERE](#).

All branches and individuals must follow the guidelines given therein.
